RAINBOW

SERIES

refined shades

from a careful study of the latest design trends comes rainbow, the new series of 600x1200 mm tiles by kamron. the collection takes its inspiration from the elegance of a rainbow, focusing on material, color, and patterns to design modern, classy interiors. it's impossible not to fall in love with the contemporary, versatile range of colors: the color combinations are virtually endless and all equally irresistible. all the rainbow surfaces can be laid both horizontally and vertically.

**artistic
spirit.**

600x1200mm

following the meticulous selection of the right colors and shades, the kamron collection comes to life, a series of tiles dedicated to interior design able to blend color, the surface versatility of the stone, and the excellent performance of the building materials.
